

January 2026

Attn: Parents and Guardians

Miyuki Kimura
Director of the Academic Affairs Division
of the Edogawa Board of Education Office

Information about the Online Direct Debit Service

This provides information about the procedure for the Online Direct Debit Service.

In principle, all school fees should be paid by direct debit.

Please register your account online using the URL or QR code below.

(This will open the “Online Direct Debit Service” website.)

Reception start date : February 1, 2026

Please note that if you are registering multiple accounts for siblings, you will need to complete the registration process for each account.

Online Direct Debit Service

<https://jaccs.kfront.jp/d?m=7NCC33>

How to Register

1. Please access the Online Direct Debit Service website using the URL or QR code above.
2. To complete your Direct Debit registration, enter your information according to the on-screen instructions.

※ To register with the Online Direct Debit Service, you will be asked to enter your financial institution PIN on the application screen to verify your identity (this is an alternative to the seal used when registering your direct debit on paper).

The Ward and School will only be provided with account information that has been verified by your financial institution (name of financial institution, branch name, deposit type, name of account holder, account number), so the Ward and School will not have your PIN.

Please see the list below for the eligible financial institutions for the Online Direct Debit Service.
